Joe's Html Advice

Joe DiChiara

Hi, JS.Y

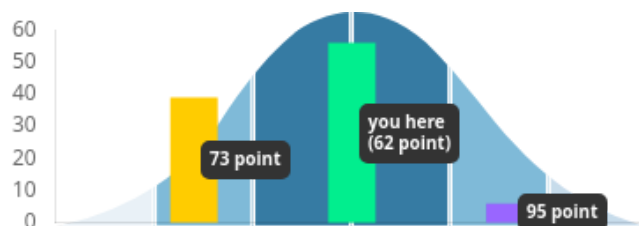

Your tee shot power needs improvement. Focus on building swing speed and proper technique.
Your tee shot accuracy is rather low relative to your score. There are a lot of sliced shots, so practice to maintain your in-to-out swing.
Your iron accuracy is excellent. You're hitting greens consistently.
Your shot game recovery needs improvement. Focus on wedge distance control and bunker play.
Your putting rate is average. Practice distance control on long putts.

Overall, there is room for improvement in your game. Focus on fundamentals and practice consistently.
